

CONTINUATION SHEET	Reference No. of Document Being Continued PIIN/SIIN W52P1J-07-R-0091 MOD/AMD 0001	Page 2 of 4
Name of Offeror or Contractor:		

SECTION A - SUPPLEMENTAL INFORMATION

1. THE PURPOSE OF THIS AMENDMENT IS TO PROVIDE THE FOLLOWING INFORMATION:
- a. PROVIDE QUESTIONS SUBMITTED BY INTERESTED PARTIES AND THE GOVERNMENT'S RESPONSE TO THE QUESTIONS.

b. PROVIDE AN UPDATED LISTED OF JOINT MUNITIONS COMMAND APPROVED BROKERS THAT WILL REPLACE THE LIST CURRENTLY FOUND ON PAGE 23 OF THE SOLICITATION.
2. QUESTIONS SUBMITTED BY INTERESTED PARTIES AND THE GOVERNMENT'S RESPONSE ARE AS FOLLOWS:
- a. Under Section 2.C, of the Scope of Work (c.f., page 7 of the RFP), dealing with the Processing of DoD LLRW, subpara. (B), identifies all of the actions that the contractor will be expected to perform: "volume reduction, decontamination, and consolidation of materials to minimize waste volume".

However, the parenthetical statement, in the same section, states that "only when the cost of such operation provides net savings as compared to disposal".

Please provide definitive clarification as to what should be the primary disposition path for waste that may arrive as part of a contract (whether to process, package, and dispose, or simply to dispose).

GOVERNMENT RESPONSE: THE ARMY WILL DETERMINE ULTIMATE DISPOSITION. FOR ITEMS THAT MAY HAVE MULTIPLE OPTIONS, THE ARMY PROJECT MANAGER WILL WORK WITH THE PROCESSOR TO SELECT THE BEST ALTERNATIVE.

Please indicate by what means any exceptions to the primary disposition path will be communicated to the contractor.

GOVERNMENT RESPONSE: THE ARMY PROJECT MANAGER WILL WORK WITH THE PROCESSOR TO SELECT THE BEST ALTERNATIVE.

b. On page 30 of the RFP, in paragraph 2, offerers are instructed to submit all information that shows they own and operate the consolidation facility.

Apart from the corporate name on the copy of the NRC radioactive materials license(s) that authorize us to operate consolidation and disposal facilities, please specify what alternate or additional evidence is required in order to show that we own and operate the consolidation facility.

GOVERNMENT RESPONSE: A STATEMENT FROM THE OFFEROR CERTIFYING THEY OWN AND OPERATE THE PROPOSED FACILITY IN ADDITION TO THE NRC OR AGREEMENT STATE LICENSE SHALL SUFFICE FOR THIS REQUIREMENT.

c. On page 6 of the RFP, Section 2 of the Scope of Work, Regulatory Concerns, subpart a, it states JMC will obtain site use permits, interstate compact export permits and authorization for outgoing shipments to Lawrence Livermore National Laboratories (LLNL), the Army Contaminated Equipment Retrograde Team (ACERT) facility, and to Wright Patterson Air Force Base (WPAFB). Please provide clarification that shipments will be made "from" these facilities.

GOVERNMENT RESPONSE: PROCESSORS WILL MAKE SHIPMENTS "TO" THE LISTED FACILITIES. THE INTENT OF THE REFERENCED SOW PARAGRAPH IS TO EMPHASIZE THAT PREFERRED DISPOSITION OUTLET FOR SOME DOD MATERIAL WILL BE RECYCLE AT LLNL, WPAFB OR THE ACERT FACILITY. THE ARMY WILL DETERMINE ULTIMATE DISPOSITION AND THE ARMY PROJECT MANAGER WILL WORK WITH THE PROCESSOR TO SELECT THE BEST ALTERNATIVE.

d. Section K Representations, Certifications, and Other Statements of Offerors If Offeror has submitted Annual Representations and checks paragraph K-3, (b)(2)(i), does the Offeror still need to complete paragraphs K-4, K-5, K-6 and K-7?

GOVERNMENT RESPONSE: OFFEROR'S MAY CHECK K-3, OR COMPLETE PARAGRAPHS K-4, K-5, K-6, K-7, OR BOTH. OFFEROR'S WILL BE RESPONSIBLE FOR ENSURING THE GOVERNMENT RECEIVES THE PROPER REPRESENTATIONS, CERTIFICATIONS, AND OTHER STATEMENTS OF OFFEROR'S.

3. THE FOLLOWING LIST OF JOINT MUNITION COMMAND APPROVED BROKERS SHALL REPLACE THE LIST ON PAGE 23 OF THE SOLICITATION:
